***AUGUST DORAL B2GF TIN W/MATCHES / PROMOTION #600908***

Listed are shipping dates and ordering information for the above promotion for McLane NE. No PO # is required for sleeves / displays shipped into Consolidated Industries (handles packing for McLane NE). Therefore, I will place orders for displays to be shipped to Consolidated Industries.

I would appreciate it if arrival dates for displays / product for these promotions could be scheduled **to arrive on different dates** from Sams Clubs promotional arrival dates. If Sams Clubs dates conflict with the dates I have listed, please let me know as soon as possible, and I will change our dates if necessary to accommodate this request from McLane and Consolidated.

Thanks for your help.
